## **CRICKETWEST : JG**

1. The CricketWest (CW) Forum was held on 22 September 2021. Only 11 clubs out of 23 attended which was disappointing. Thank you to the SMCA clubs and the two umpires who attended.

1. Bylaws – The Bylaws have been updated and distributed.

## **PROTESTS AND DISPUTES**

1. NTR – work in progressed

## **FIXTURES AND GRADINGS**

1. **Gradings** - A number of issues that need to be resolved, these are:

a. **Armada withdrawing a 75 over two day-side** – Note after withdrawal of Kelmscott from 2<sup>nd</sup> grade, Armadale have replaced them in 2<sup>nd</sup> grade. This has caused some angst and dissatisfaction.

- It was agreed after discussion that Armadale would be withdrawn from 5<sup>th</sup> grade and that a replacement team be identified from the 6<sup>th</sup> grade teams. Roleystone Karragullen would come into sixth grade and the competition changes to 5 x two-day matches and 10 one-day matches. 6<sup>th</sup> grade clubs to be contacted.

b. **Kelmscott** – have been restricted to two one day teams IAW bylaws, however have protested about this citing players will miss playing cricket. They have indicated they may be able to field a two-day side next season.

- It was agreed that there would be no change.

c. **Roleystone** has nominated a 3<sup>rd</sup> two-day side for 7<sup>th</sup> grade.

- This team to be placed into 6<sup>th</sup> grade.

2. **Grounds** – there are numerous ground issues due to unavailability with more to come. The SMCA does not have adequate number of neutral grounds. Cannington have nominated 5 teams assuming they had use of Queens Park, which is now not possible. They need a 3<sup>rd</sup> ground.

3. **T20 Belt Up community Cup Knock out** - 8 teams nominated –playing dates are:

Round 1 – Sunday 17 Oct 21 – 8 teams

Round 2 – Sunday 7 Nov 21 – 4 teams

Final - Sunday 21 Nov 21 – 2 teams – winner to play in Beltup Community Cup semi-finals on Sunday 12 December 2021

- 2 pm start to all T20 matches.

4. **Stand-alone 1<sup>st</sup> grade finals** - Michael Beer asked that consideration to have:

- Stand-alone for the 1<sup>st</sup> grade mid-season one day final. Proposed date is 30 January 2022
- 1<sup>st</sup> Grade end of season Final moved to 26/27 March 2022 so it can be a standalone event.

Discussion occurred and it was noted that ground availability would be an issue as many local governments have indicated in ground hire agreements with clubs that mid-March 2022 is the end of season.

- 1<sup>st</sup> grade clubs to be contacted regarding these proposed changes for consensus or otherwise. This will be subject to ground availability.

## **AGENDA ITEMS**

2. Expressions of Interest for nominations for club to mentor the SMCA representative teams.
3. Expressions of Interest for clubs to host end of season windup/presentation function
