

NOTICE OF PLAYER CAUTION

To: Champion Lakes Cricket Club

Subject: Outcome of P&D Hearing – Sukumar Banala (19 November)

Date: 21 November 2025

Dear Champion Lakes Committee,

Following the P&D Committee hearing held on 19 November 2025, we write to confirm the outcome concerning player Sukumar Banala.

Based on the evidence presented, the committee determined that Mr Banala failed to leave the crease immediately following his dismissal. While the conduct did not escalate beyond the initial delay, it was deemed contrary to the spirit of the game and the expectations outlined in the SMCA Code of Conduct.

Accordingly, the P&D Tribunal issued a formal caution to Mr Banala. This caution does not carry a suspension or fine but will be recorded on file. Please note that any further breach of a similar nature may result in escalated sanctions, including suspension, in accordance with SMCA disciplinary procedures.

Please direct any queries to the SMCA Secretary

Regards,

Gary Hartman
